

CNP Membership Benefits

“Membership with the CNP has saved us thousands of dollars.”

- Jaime Melton, Development Director, St. Peter's Episcopal School

The CNP offers a wide range of services to help nonprofits improve their management skills and operate more efficiently.

Members of the Center for Nonprofits benefit from these services with significant savings and perks.

Become a Member by applying online! Just click “Become a Member” at the bottom right corner of www.cnpchatt.org.

Board Bank— Do you need quality board members or are you looking to join a board? The Center manages a board bank of trained and committed community minded volunteers. CNP member agencies receive first priority for all referrals.

Consulting & Facilitation— Save 40% on consulting and facilitation services. The Center hosts an expert bank of consultants that can help your organization with strategic planning, organizational assessments, board development, grant research and writing.

Funding Announcements— Receive immediate funding notifications through the CNP email announcements. Additionally, the Center shares the latest information that can help you better manage your nonprofit.

Help line— “Don’t struggle to recreate the wheel!” The Center’s staff is available to help member agencies on a variety of nonprofit management issues. Call or email us your questions. We are ready to help with anything from daily operations to long-range, strategic planning.

Library— Sponsored by First Tennessee, the CNP’s Resource Library is open to everyone, but only members may check out books on all aspects of nonprofit management. The library is also a cooperating collection of the Foundation Center- allowing visitors to research more than 80,000 funding foundations.

Marketing & Advertising— Tap into a significant segment of the nonprofit sector through the Center’s publications and website. Members receive free job postings on the website and community calendar.

Organizational Assessments— Save 40% on comprehensive analysis of your agency’s organizational leadership (board and management staff), financial processes, strategic planning, resource development, marketing, outcome measurement, strategic alliances, social entrepreneurship, and volunteer management. These assessments are affordable and a great time saver in preparing SWOT Analysis for strategic planning.

Online Information— The Center’s website, www.cnpchatt.org, features valuable resources and information available only to member agencies. The website is updated regularly, assuring the most recent nonprofit resources are at your fingertips!

Training— Enjoy a savings up to 40% off the Center’s high quality training workshops. Members pay only \$40 for most courses, compared to the non-partner rate of \$65. Custom Training is available and can help you save even more money! New Horizons Computer Training courses— regularly priced at \$225— are discounted 33% for CNP members.

Website Design & Development— Member agencies receive an additional 20% off the already low nonprofit rate from Site Now, administrator of the Center’s website.
