

Connect your business to strategic community partnerships

www.cnpchatt.org

Develop, improve or enhance your corporate image through the CNP.

The Center for Nonprofits can help you match your company's community relations strategies with nonprofit organizations who can further your corporate image. Learn to synchronize your company's philanthropic giving and volunteer efforts to your business objectives.

Educate your employees to become innovative, effective and visible community leaders.

The Center for Nonprofits' board training and placement services can strategically place your employees on area nonprofit boards of directors. By training your employees to be excellent board members, you increase your business visibility **AND** provide opportunities to retain, sharpen and develop skills to make them more effective employees.

Visit www.cnpchatt.org or call the Center at (423) 752-0300 to learn more!

Let the CNP connect you to nonprofit board leadership!

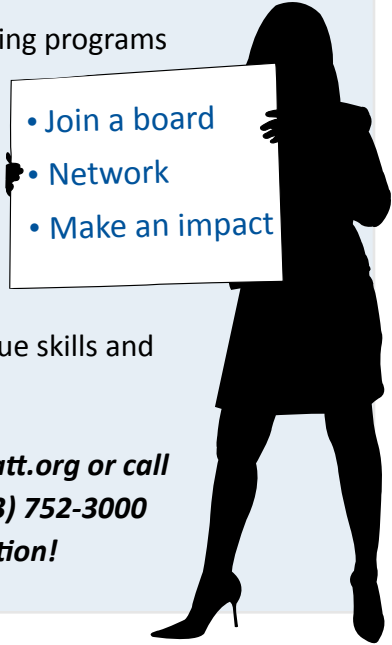

*Ever wonder why some of your colleagues serve on numerous boards, and you have not been asked to join **one**?*

Or, do you currently serve on a board, but are unsure of your roles and responsibilities?

Nonprofit boards of directors are the guiding force (and legally responsible body) for the organizations they serve. Whether you are looking to build your resume or simply give back to your community, board service can be an enriching and rewarding professional outlet.

Let the Center for Nonprofits help you make the most of nonprofit board leadership!

The Center's training programs and board bank will prepare you for a positive board experience and can even match you with an organization seeking your unique skills and interests!
